

Looking to make your mark? Then consider CE plus!

We are looking for a

Preclinical and Toxicology Expert (m/w/d)

Who we are and what we do

CE plus is a division of regenold GmbH - an international regulatory service provider specialized in pharmaceuticals, medical devices, cosmetics, food supplements and other healthcare products. The core activities of CE plus comprise regulatory services for medical devices and in vitro diagnostics, and our key competence is CE-marking for the European market. Through close collaboration with experts from regenold GmbH, we are also able to offer a wide range of related services.

You can find more information on our homepage: www.ceplus.eu

Your field of activity

- For medicinal products, compilation of preclinical parts of the Common Technical Documentation (CTD) for Marketing Authorisation Application
- Revision of preclinical parts of product information texts (Summary of product characteristics, Patient information leaflet) of applicant's response documents to competent authorities in the context of marketing authorization application
- For medical devices, compilation of biocompatibility assessments according to standards and regulations (MDR 745/2017)
- Toxicology assessments
- Preparation and execution of scientific advice procedures with competent authorities within or outside EU
- Compilation of scientific documents and reports
- Systematic literature search
- Supporting preclinical development of medicinal products and/or medical devices
- Planning and management of preclinical trials according to ICH-GLP or applicable standards for medicinal products and/or medical devices
- Assessment of preclinical trial results

Ideally, you should have the following skills and knowledge

- Degree in Life Science
- Expert toxicologist training will be of advantage
- 3+ years of relevant experience either in the Pharmaceutical Industry or at a CRO
- Knowledge of GLP
- Experience in scientific writing and literature search with excellent written and oral communication skills in German and English

What makes us tick

- Customer and solution orientation - for us, this is the DNA of a good service provider
- Experience, expertise, and worldwide networking in over 90 countries through the regulanet® network, www.regulanet.com
- Innovative and long-standing customers who are happy to recommend us to others
- A family-like and personal team spirit in a modern working environment

What we offer

- International diversity - in the team and in the projects
- Long-term prospects – for professional and personal development, we offer a wide range of tasks and individually tailored training opportunities right from the onboarding phase
- Flexibility, freedom, and personal responsibility - through flat hierarchies, short decision-making processes and family-friendly working time models, with something for everyone
- One of the most beautiful regions in Germany, on the edge of the Black Forest in the border triangle of Germany, France and Switzerland
- In addition, attractive salary, company pension scheme, capital-forming benefits, JOBRAD...

Have we made you curious? Could you fit in with us?

Then we look forward to receiving your completed application at perspectives@regenold.com.

Your contact person is: Christine von der Brelie, +49 (7632) 8226-410.

CE plus, Division of regenold GmbH, Zöllinplatz 4, D-79410 Badenweiler
